

## RATES 2022

### TOURISM & PUBLIC SECTOR

#### Licence Types

Single Licences are applicable for clients, using SpeechCode at one location only, i.e. restaurants, hotels, funiculars, conference centers, museums, etc.

Master Licences are applicable for communities, tourism organisations, marketing groups, etc., using SpeechCode for points of interests at various locations in their geographic region.

Groups (Hotels, Restaurants, etc.) with many different sites can sum up all visitor/overnight numbers, if central billing and administration of the license is provided. Otherwise the applicable single licences will be charged with a 25 % discount.
